DISCUSSION GUIDE

- Icebreaker -

What's the best Mother's Day gift you've ever given and why?

1. God had already given the Promised Land to the Israelites to take. What held them back from taking it? God has things in motion for our lives, what causes us fear to do what God tells us to do?
2. Read Joshua 2:8-11. Rahab tells the spies that the people of Jericho had seen God providing victory over the other armies in that area and they were terrified, how did that contrast how Moses' generation saw the people of that land. How often do you not see what God is doing in your life? How do you get and center your mind on God's perspective?
3. Looking back at the responses of the spies, which one resonates with you more when facing a tough decision? Joshua and Caleb or the ten other spies? How do we become more faith-filled?
4. What circumstances are you facing right now that stir your fears? Write out those fears associated with the circumstances, give them to God, and know He is in control.

ALPHA VIDEO SERIES STARTING MAY 10

Alpha is an 11-week course that creates a space where people are excited to bring their friends for a conversation about faith, life and God. Each session includes a time to connect with others, hear a talk on some element of faith, and then a chance for people to share their own questions and perspectives with the group. This is a great group for new Christians or people who have questions about the Christian faith.
