## DISCUSSION GUIDE

### - Icebreaker -

What would you like to be remembered for?

1. What are some ways that pride flares up in your life? Where are you more likely to struggle with pride?
2. John R.W. Stott said, "Pride is your greatest enemy, humility is your greatest friend." What is the reason most people have a hard time being humble? How do you remain humble?
3. There is a difference between pride and confidence. How can we be confident of the work that God has done in our lives, the gifts and talents He has given us and the blessings that are given with Confidence that God will be faithful rather than me being prideful in what I have accomplished?
4. What does true humility look like?
5. What can you do to train to become more humble this week?
