DISCUSSION GUIDE

- Icebreaker -

What was your best class in school?

1. When you think about your complaining habits, what do you normally complain about? Where does this happen and to who do you complain the most?
2. Have there ever been consequences or a cost to complaining in your life?
3. Read Psalm 142:1-2. Why do we complain to people rather than bringing our requests to God? Is it better to rely on God who might be using a situation to cause us to grow in our reliance of Him, rather than our own strength?
4. When we complain about someone else, are we sowing seeds of unity and grace or disunity and mistrust? What would be a better way to discuss a situation that might be causing stress in our lives?
