

# THE FRUIT OF THE SPIRIT

What is up with the fruit? The word "fruit" is not literally the fruit we eat, but what we as Christians produce. An apple tree produces apples...a Christian produces the fruit of the Spirit. Find out more in Galatians 5:22-23a.

### Hey parents!

When we walk through dark times, we can find comfort knowing that our God is all-powerful. Today, we studied Mark 5:21-43. These verses challenge us to fully depend on our all-powerful God, no matter the outcome. When we understand that God is with us always and is all-powerful, we can feel encouraged and hopeful, even when we are in difficult situations.

### Take the Family Challenge

Psalm 147:5 helps us remember to stand firm and fully trust God. As a family, grab a set of sticky notes or notecards and write three or four words of the verse on each note or card. Race to put the verse in order as fast as you can! Time each other to add some fun competition.

Bonus ideas: If you have a high-energy family, try hiding the sticky notes throughout the room (or the house!) and have a scavenger hunt before you race to put the verse together. If your family loves music, try making up a song with the words in this verse.
