1. What repentance \_\_\_\_\_.

- ◇ \_\_\_\_\_ of sin is not repentance
- ◇ \_\_\_\_\_ for sin is not repentance
- ◇ \_\_\_\_\_ of sin is not repentance
- ◇ \_\_\_\_\_ to be better is not repentance

2. What repentance \_\_\_\_\_.

- ◇ Change of \_\_\_\_\_

3. How repentance is \_\_\_\_\_.

4. When is it \_\_\_\_\_ to repent?

1. Using Psalm 139:33–34 as your prayer, ask God to help reveal your current sinful behavior.

2. Acknowledge and confess these sins, asking for Christ's forgiveness.

- Where I am blind to my own sin, restore my sight, for only You can bring healing to the hidden places of my heart. (Pause and confess those things that the Holy Spirit brings to mind.)
- Where I have allowed the enemy to steal Your work in my life, I now take my stand in Jesus' name and authority, taking back the stolen ground. (Continue to pray as led by the Holy Spirit.)
- I ask, Father, for complete freedom in every area of my life. Fill me afresh with the Holy Spirit so I will be strengthened to stand firm and become more like Jesus. Renew my hunger for Your Word and holiness.
- I choose now to throw off the sin that has entangled me and once again fix my eyes on Jesus Christ, my only Lord. Amen (see Romans 6:19; Luke 15:11–31; Galatians 5:16; Isaiah 29:13; 1 Peter 2:24–25; Galatians 5:1; James 5:16; Hebrews 12:1–2).

3. Give thanks for His faithfulness and celebrate the purity He restores through His shed blood.
